DAVID SEAMAN WORD GAME

Find the longest words you can using the letters in David's name. Then calculate how many points you got. Each **vowel** in David's name (A, E, or I) is worth **1 point**; each **consonant** (D, V, S, M or N) is worth **3 points**.

D A V I D S E A M A N
 3 1 3 1 3 3 1 1 3 1 3

Fill in the table below with your **highest scoring 10 words**, then add them together to find your **final score**. Either use this sheet or write on **plain paper**. Good luck!

PRO TIPS

TACTICS – Try to use as many of the consonants as possible as they score more points.

PLURALS – You could use the “S” to make words plural and score more points.

COMPETE – Invite your friends and family to compete against you. Who can get the highest final score?
