## CREATIVE CHALLENGE **DRAW SOL**

Copy this photograph of Sol Campbell in the second grid. Use the squares and **Pro Tips** to help you.

If you **don't** have a printer you can draw the grid carefully using a ruler!

### PRO TIPS

**LOOK AT THE GRID** – Look very carefully at what is in each grid. Try to copy exactly what you see in each square of the grid.

**SLOW DOWN** – There is no rush with drawing. Carefully consider the next mark you will make with your pencil.

**BE DECISIVE** – Once you've considered your next mark be confident with it. Remember, there's no right or wrong with art.

**SHARE YOUR FINISHED DRAWING ON TWITTER!** Ask an adult to share your drawing using **#AFCHomeLearning**. We'll retweet our favourites!
